AUGUST 31, 2016**

INDEPENDENT AUDITORS' REPORT

To the Members of:
The Canadian Bar Association - British Columbia Branch

We have audited the accompanying financial statements of The Canadian Bar Association - British Columbia Branch which comprise the statement of financial position as at August 31, 2016, and the statements of revenue and expenditure, changes in net assets and cash flows for the year then ended, and the related notes comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Canadian Bar Association - British Columbia Branch as at August 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

PURPOSE OF THE ORGANIZATION

The Canadian Bar Association - British Columbia Branch ("the Association") is a professional organization, which was formed in 1896 and incorporated under a Special Act of Parliament in 1921. The mission of the Association is:

- a) to improve the law;
- b) to improve the administration of justice;
- c) to improve and promote access to justice;
- d) to promote equality in the legal profession and in the justice system;
- e) to improve and promote the knowledge, skills, ethical standards and well-being of members of the legal profession;
- f) to represent the legal profession nationally and internationally; and
- g) to promote the interest of the members of the Association.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") under Part III of the CPA Canada Handbook - Accounting. Financial statements prepared in accordance with ASNPO are also in accordance with Canadian generally accepted accounting principles ("GAAP").

These financial statements have, in management's opinion, been prepared within reasonable limits of materiality using the significant accounting policies noted below:

THE CANADIAN BAR ASSOCIATION - BRITISH COLUMBIA BRANCH
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

a) Financial instruments

i) Measurement

The Association's financial instruments consist of cash and equivalents, marketable securities, accounts receivable, accounts payable and capital lease obligation.

The Association initially measures its financial assets and liabilities at fair value. The Association subsequently measures all debt and equity securities that are quoted in an active market at fair value. All other financial instruments are subsequently measured at amortized cost. Changes to financial instruments measured at fair value are recognized in the Association's operating and reserve funds in the period incurred.

ii) Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of any write-down that is determined is recognized in the statement of revenue and expenditure. A previously recognized impairment loss may be reversed to the extent of any improvement, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of revenue and expenditure in the period in which it is determined.

b) Cash and equivalents

Cash and equivalents consist of highly liquid investments that are readily convertible into known amounts of cash, having a maturity of three months or less from the date of acquisition or which are convertible to cash on demand.

c) Capital assets

Capital assets are recorded at historical cost and amortized over their estimated useful lives at the following annual rates:

Computer equipment	30%	declining balance basis
Computer equipment under capital lease	30%	declining balance basis
Furniture and equipment	20%	declining balance basis
Office equipment	20%	declining balance basis
Website	5 years	straight-line method

The Association monitors the recoverability of capital assets based on their long-term service potential. When a capital asset no longer has any long-term service potential to the Association, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of revenue and expenditure. Write-downs recognized under this policy are not reversed.

d) Leases

Leases are classified as either capital or operating leases. A lease that transfers substantially all of the benefits and risks incidental to the ownership of property is classified as a capital lease. All other leases are accounted for as operating leases wherein rental payments are expensed as incurred.

THE CANADIAN BAR ASSOCIATION - BRITISH COLUMBIA BRANCH
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

At the inception of a capital lease, an asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the property's fair market value at the beginning of such lease. Assets recorded under capital leases are amortized as described in Note 1(c).

e) Revenue recognition

The Association follows the deferral method of accounting for revenue. Committed revenue is recognized in the year in which the related expenses are incurred. Uncommitted revenue is recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Reserve investment income is allocated directly to reserves. Unrestricted investment income is recognized as revenue when earned.

Member dues consist of branch assessments and rebates from the National Association.

Dues are collected and recognized in alignment with the Association's fiscal year.

Other deferred revenues consist of grant revenue, professional development registration, sponsorship fees and directory revenue. These amounts have been received at year end but will not be recognized as revenue until the related services have been performed.

Restricted contributions for the purchase of capital assets that will be amortized are deferred and recognized as revenue on the same basis as the amortization expense related to the acquired capital asset.

f) Donated services

The Association and its members benefit greatly from donated services in the form of volunteer time for various committees. The value of donated services is not recognized in these financial statements.

g) Allocation of expenses

The Association reports its expenses under the following functions: Activities, Administration and Governance. Each of the functions is allocated a portion of the Association's total salaries and benefit expense. This allocation is based on the relative amount of time the Association's employees work within each function.

h) Use of estimates

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions about future events that affect the reported amounts of assets, liabilities, revenues and expenses as at the end of or during the reporting period. Management believes that the estimates used are reasonable and prudent, however, actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the determination of the useful lives of assets for calculating amortization expense and the amounts recorded as accrued liabilities.

2. FINANCIAL INSTRUMENTS RISKS

The Association's financial instruments are described in Note 1(a). In management's opinion, the Association is not exposed to significant currency, liquidity, credit, interest rate or other price risks except as explained below. In addition, the Association is not exposed to any material concentrations of risk and there has been no change in risk exposures from the prior year.

Market Risk

The Association's marketable securities include fixed income debt securities and equity securities. The fair value and related investment income stream from these marketable securities will fluctuate according to changes in interest rates among other factors.

3. CAPITAL ASSETS

			2016	2015
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
Computer equipment	\$ 113,988	\$ 103,738	\$ 10,250	\$ 24,064

4. RELATED PARTY TRANSACTIONS

The Association appoints the majority of directors of the CBA (BC) Benevolent Society (the "Society"), which is organized as a separate legal entity under the Societies Act. The Association does not control the Society through its appointment of directors, as the Association and Law Society of British Columbia have equal control as members of the Society. The Society is governed by its own separate constitution and bylaws and operates independently, with financial risk management controls reported annually to the Association as a member of the Society. There are no current liabilities reported by the Society with respect to financial risk to the Association.

Included in accounts payable is \$Nil (2015 - \$12,130) held on behalf of the CBA (BC) Benevolent Society.

7. COMMITMENTS

The Association leases its office premises under a lease agreement which expires September 30, 2018. In addition to basic rent, the Association is required to pay a portion of certain operating costs and property taxes. The Association has also leased equipment under lease agreements which expire during December 2017 and October 2018. Basic rent under the office premises lease agreement and payments under the equipment leases for the next three fiscal years are anticipated to be as follows:

2017	\$	152,223
2018		147,293
2019		13,031
	\$	<u>312,547</u>

8. RESERVE FUND

The Association's reserve fund is comprised of a restricted portion which is to be maintained at no less than \$899,554 and a long-term unrestricted portion. The interest accrued in the restricted portion will be held in the unrestricted portion. The restricted portion of the reserve fund was established in 1989. Disbursements from the restricted portion of the fund are to be made only with the approval of the Provincial Council. The Association invests the assets comprising both components of the reserve fund separately from other net assets. The continuity of the reserve fund is as follows:

	2016	2015
Balance at beginning of year	\$ 1,152,010	\$ 1,080,902
Reserve fund transactions:
