ADVANCING RECONCILIATION SERIES: RESPECTING AND PRESERVING INDIGENOUS IDENTITIES

Friday, October 27, 2023 | 12:30 pm - 2:00 pm (Pacific Time) | 1.5 CPD HOURS | WEBINAR

False claims of Indigenous identity by non-Indigenous people perpetuates harm for Indigenous people and communities. Through a facilitated question and answer session, our esteemed panelists will address the changing dynamics of white identities (why do so many white people want to be Indigenous?), self-indigenization and settler colonial logics (how does self-indigenization fit into understandings of settler colonialism?) and the pushback (what can be done to stop self-indigenization?). This session explores the fundamentals of Indigenous identity, key issues related to false claims and what non-Indigenous and Indigenous lawyers can do to appropriately protect against this. This session is for all lawyers, articling and law students, and judges.
